ANDALUCÍA'S BIOMEDICAL RESEARCH ETHICS PORTAL

D. ANTONIO SALMERÓN GARCÍA, SECRETARY OF THE ANDALUCÍA'S BIOMEDICAL RESEARCH ETHICS COMMITTEE OF GRANADA (CEIM/CEI GRANADA)

CERTIFIES:

That this Committee has weighed and evaluated in a session held on 31/01/2022 and collected in certificate number 1/22 the proposal of the promoter / researcher, Andalusian School of Public Health, to carry out the research study entitled:

TITLE OF THE STUDY: ANDALUSIAN SURVEY OF HEALTH

And who considers that:

- The necessary requirements for the suitability of the protocol in relation to the objectives of the study are met and it complies with the ethical principles applicable to this type of study.
- The capacity of the researcher and the available means are appropriate to carry out the study.
- The foreseeable risks and inconveniences for the participants are justified.
- That the economic aspects involved in the project do not interfere with respect to ethical postulates.
- And that this Committee considers that said study can be carried out in the Centers of the Autonomous Community of Andalusia that are related, for which it corresponds to the Direction of the corresponding Center to determine if the capacity and the available means are appropriate to carry out the study.
